„Assign to category“: This function allows you to move performance assessments specified in the programme regulations to other categories, and to import them from other programme regulations. For further questions contact your Departmental Administration Office.

Assign to category

Change Category Assignment

- **Change** allows to assign performance assessments within the programme regulations to categories.
- **More performances** allows you to import performance assessments from other programme regulations.

More performances

Back

More Performances

- Mark those performance assessments you wish to use for the academic record of your current programme.
- Then click on **Import those marked**

Back

Performance Assessment	Grade	Weight	ECTS credits	Programme Regulations
<input checked="" type="checkbox"/> 401-3461-00 S	Funktionalanalysis	5.0	10	Bachelor Programme in Mathematics
